

Using the new PayPal Checkout Process (You don't need to join PayPal!)

Although IPMS/USA has used PayPal as our credit and debit card processor for many years, the checkout process has been updated. Here are some screenshots and commentary to walk you through it.

When you are in our MYIPMSUSA.org membership site and your membership renewal is due or you are paying for a National Convention Registration or Trophy Package, you will be directed to a screen something like this:

The screenshot shows a web browser window with the URL <https://ipmsu28.wildapricot.org/Sys/Profile/Finances>. At the top, there are two blue buttons: "Go to IPMS/USA" and "Renew My Membership". Below these is a "My profile" section with an "EDIT PROFILE" button. To the right, it says "Balance due: \$30.00". A navigation bar includes links for Profile, Privacy, Email subscriptions, Member photo albums, My event registrations, Invoices and payments, and Donations. A yellow warning box contains the text: "Balance due (1 items): \$30.00. We use PayPal to process credit, debit, and PayPal account payments, but you do not have to belong to PayPal or join PayPal to make a credit or debit card payment. Once you click 'Pay Online', look for the 'Pay with Debit or Credit Card' button. Please make all payments in US Dollars." Below this text are logos for VISA, Discover, and American Express, and a "PAY ONLINE" button circled in red. Below the warning box is a search bar and "Records found: 1". A table with columns "Date", "Transaction", and "Balance due" shows one record: "11/02/2022", "Invoice #06882 Member renewal Chapter", and "\$30.00". A small box on the right shows "Balance due: \$30.00" and "Membership renewal pending". At the bottom right is a "MESSAGES" button.

Look for and click the Pay Online button I have circled in red above to go to the checkout screen.

You will be directed to the PayPal checkout process and this page:

The image shows a browser window with the URL <https://www.paypal.com/checkoutnow?token=0B711949E02112015>. The page title is "Log in to your PayPal account". The main content area is titled "Pay with PayPal" and includes the text "With a PayPal account, you're eligible for Purchase Protection and Rewards." Below this are two input fields: "Email or mobile number" and "Password", each with a "Forgot password?" link. A blue "Log In" button is positioned below the password field. Below the "Log In" button is the word "or" and a button labeled "Pay with Debit or Credit Card", which is circled in red. At the bottom of the page, there is a link "Cancel and return to International Plastic Modelers Society/USA" and a language selection menu showing "English", "Français", "Español", and "中文".

If you are not a PayPal member or just want to pay by Credit or Debit Card, click the circled button at the bottom of the screen. You will be taken to the Guest Checkout Screen.

As I have noted in red, you don't have to belong to PayPal or join PayPal to checkout. Simply click the "Pay with Debit or Credit Card" button to go to the Guest Checkout screen:
